

This edition of the Salem Community High School Academic Foundation Newsletter is bringing you a collection of news and events from the last few years. We want our members, contributors, and possible new members to see what projects the Foundation has undertaken and the support that has been provided to the school. Included with this newsletter, you will find a membership form. If you are a current member and have already renewed your membership, please pass the form along to someone you feel might be interested in supporting our students and school.

Take a moment and see what a difference the Foundation makes in supporting our students, our teachers, and the school as a whole.

Thank you,

The Board of Directors of the SCHS Academic Foundation

Teacher of the Year 2021

Clint Wolfe is a 2000 graduate of Salem Community High School. Following graduation he attended Southern Illinois University Carbondale and graduated with a Bachelor of Science in Education in 2004. Upon completing his undergraduate studies he was hired at Salem Community High School. He began teaching within the Social Studies department and would eventually become Department Chair in 2015. While teaching, Clint completed his Masters of Science in Education Administration from Eastern Illinois University in 2010. As SCHS continued to develop its 1 to 1 program, Clint accepted the Staff Technology Coordinator position in 2015. In this role he organized and presented professional development opportunities for the district. During his teaching tenure Clint has been an Assistant Basketball coach, Head Basketball Coach, and Assistant Football Coach. In 2021 he accepted the position of Assistant Principal. Clint is married to Danette and has a daughter, Quinn and son, E.J.

Salem Community High School All Class Reunion

The All Class Reunion Committee is busy finalizing plans for this year's event which is scheduled to take place on the ***weekend of April 8th, 2022.***

This year's events will include a mixer on ***Friday*** night which will be held at the Salem Community and Activities Center. Admission will be free to those who have registered in advance or \$5.00 at the door. The evening activities will include a Decades of Style Show which will reflect a classic style of a particular decade, or items that are connected with SCHS. There's still time to dig through your closets and attics to see what you might be storing that would bring back memories to the crowd in attendance! Those who are willing to loan items for the show should contact Keri Chitty Garrett at kerigarrett548@gmail.com. The Friday night event will also feature musical entertainment and guests will be able purchase food/beverages on site.

Saturday morning will kick off at SCHS with the Academic Hall of Fame recognition breakfast where the newest members of the Hall of Fame will be honored by the Academic Foundation. The events at SCHS will continue that afternoon with guided tours of the building and the All Class Variety Show. Hoping to recapture some of the magic of Variety Shows from years ago, the show is slated to feature some fan favorites – including the band's performance of Vincent Youman's, the Invaders reunited for one day only, and Gene Stiman on trombone! Saturday night the group will return to the Community Center for the weekend's main event. The evening will include a cocktail hour, catered meal and live music for the guest's enjoyment. Advance reservations for the dinner are required.

The weekend will conclude on ***Sunday*** morning when all returning alumni will be encouraged to return to their childhood place of worship for an opportunity to fellowship with their fellow alumni and congregation members.

The ticket price for the weekend will be \$40.00 per person. Persons who plan to attend can make their reservations now by accessing the invitation form online at www.schsallass.com or in person at the offices of Sam Phillips, CPA, or by mail using the form that follows this article. To ease concerns regarding the possibility of another forced cancellation, the Committee will offer registrants two easy options: If cancelled, the registrant can leave his/her deposit on account and be automatically signed up for the rescheduled event OR he/she can request a 95% refund of the ticket price (5% being reserved to handle costs of processing/mailling).
