# The Broadcaster

*Academic Foundation Newsletter*

This edition of the Salem Community High School Academic Foundation Newsletter is bringing you a collection of news and events from the last few years. We want our members, contributors, and possible new members to see what projects the Foundation has undertaken and the support that has been provided to the school. Included with this newsletter, you will find a membership form. If you are a current member and have already renewed your membership, please pass the form along to someone you feel might be interested in supporting our students and school.

Take a moment and see what a difference the Foundation makes in supporting our students, our teachers, and the school as a whole.

Thank you,

***The Board of Directors of the SCHS Academic Foundation***

### Purpose of the Academic Foundation

The SCHS Academic Foundation is a non-profit association devoted to supporting, enhancing, and promoting academic opportunities for the Salem Community High School. The Foundation is run by a volunteer board of directors. Opportunities are made available to staff at SCHS for implementing programs in their classrooms and throughout their departments. One of the opportunities is the mini-grants made available to teachers each year. Mini-grants support, encourage, and facilitate great teaching ideas. Mini-grants are modest cash awards that help educators make a positive difference in their classrooms.
