Often Asked Questions About The Foundation

Q. Is the Foundation a part of the Board of Education?

A. The Foundation is completely independent of the Board of Education. The Foundation draws together businesses, community agencies, and individuals who are interested in improving educational opportunities at SCHS.

Q. Who is controlling the funds?

A. The Foundation leadership is comprised of private citizens interested in education and SCHS.

Q. How will the funds be spent?

A. Proposals are submitted by SCHS staff members for grants. Scholarship forms are available in the Student Services office for students. A selection committee of Foundation Board members review requests and award grants and scholarships to projects that enhance, rather than duplicate, existing programs.

Q. May I designate how my contribution will be used?

A. The Foundation will accept both restricted and unrestricted contributions as well as endowment funds and donations for specific projects.
